

ENVIRONMENTAL POLICY

Essex Bookbinders Ltd (Registered in England No. 08027648) is a bookbinding, printing and packaging company based in Frinton-on-sea, Essex.

We follow a strict Environmental Management System and, as a company, we are committed to continually reducing our impact on the environment and to contribute to environmental improvement.

In order to achieve this goal, we will:

- 1) Comply with requirements of environmental legislation
- 2) Frequently assess the environmental impact of past, current and future operations
- 3) Analyse each of our products with the aim of minimising its carbon footprint
- 4) Assist our partners to use products and services in an environmentally sensitive manner
- 5) Only use materials with a chain of custody (recycled, FSC or PEFC) if possible
- 6) Use our production waste/offcuts for smaller products such as notebooks and postcards
- 7) Donate production waste/offcuts to local playschools/schools
- 8) Reduce energy consumption and waste
- 9) Ensure that our waste has a clear chain of custody
- 10) Raise awareness and encourage our partners to participate in environmental matters
- 11) Participate in discussions with our local community to encourage continued reduction of our impact on the environment
- 12) Develop and maintain an Environmental Management System, setting objectives and targets as well as frequently reviewing our policy on a regular basis

This policy will be communicated to the public and all people working for and on behalf of Essex Bookbinders Ltd.
